CAMP No. 287—88, DATED MYSORE, 4TH DECEMBER 1893.

ORDER THEREON.—The Chief Judge again submits for the sanction of Government the proposal of December 1891 for the abolition of the last grade of Munsiffs on Rs. 150 a month and the substitution in its place of a grade of Rs. 150 a month, rising after two years approved service to Rs. 200 a month. The measure proposed appears necessary in order to attract to the Munsiff service a better class of qualified men chiefly from the legal profession, as well as generally to improve the status of this class of officers. The Government accordingly resolve to adopt, in lieu of the present last class, one on Rs. 150 rising to Rs. 200 a month, after an approved service of two years, provided that it will always be within the discretion of the Chief Court to give to any person newly appointed to this class the maximum salary of Rs. 200 a month on the ground of professional experience or other special qualification.

2. The present scale is as follows:—

2 in a Special Class	on	Rs. 300
4 in 1st Class	on	Rs. 250
6 in 2nd „	„	200
and 6 in 3rd „	„	150

By converting the last class to one on Rs. 150 rising to 200, the maximum sanctioned number on Rs. 200 will practically be 12. In order to provide a due proportion of officers in the various classes, the Government sanction the following scale with effect from 1st January 1894:—

2 in 1st Class	on	Rs. 300
6 in 2nd	„	250
10 in 3rd	„	150 rising to Rs. 200 after two years approved service.

The increase in cost is Rs. 4,800 per annum. The increase recommended by the Chief Judge of the salary of the Deputy Registrar to Rs. 250 a month and of that of the Assistant Registrar and Manager to Rs. 200 a month is also sanctioned with effect from 1st January 1894.

3. The recommendation as regards the Registrar's pay has been disposed of by another order.

The Registrar of the
Chief Court of Mysore.

To

The General Secretary to the
Government of Mysore

Sir,

Adverting to the Proceedings of Government, Camp No: 287-88 dated 4th December 1893.— sanctioning a revised Scale of Salaries for Munsiffs, I am directed by the Chief Judge to submit for the favorable consideration and orders of Government the necessity for further improving the Status of this class of Officers.

2. With the growth of population and enhanced value of property and with the extension of Railways and consequent increase and expansion of trade, the litigation of the Province is steadily on the increase and there is, every where, a

heavy

heavy pressure of Judicial work.

3/3. The Munsiffs generally have been invested with Criminal powers and are available also for Magisterial work, during Jama = bandi and other seasons, when the principal Revenue Officers are ab= =sent from their Head Quarters. But the Salaries allowed them are not commensurate with the heavy and responsible duties devolving on them.

4. In Madras, where the Munsiffs are not Magistrates but exercise purely Civil functions, the scale of pay is as follows:-

Grade	No.	Pay
1st	29	400
2d	30	300
3d	30	250
4th	30	200

In Mysore we have

2 - 1st Grade Munsiffs on Rs 300

6 in the 2d Grade on Rs 250

and

and 10 in the 3rd Grade on Rs 150 rising to Rs 200 after 2 years' approved Service.

5. As there are only 2 Munsiffs in the 1st and 6 in the 2nd Grade, and as vacancies occur but rarely, the majority of the Munsiffs are kept without promotion for Several Years and the chances of their transfer to Revenue and other Departments are, also, few and far between. Under these circumstances, it is difficult to attract really good and qualified men to join the Mysore Judicial Service, and to induce them to continue long in it. To secure ability, knowledge, industry and faithfulness, we must offer such salaries as will command these qualities.

6. Taking into consideration the scale of Salaries allowed to the same class of Officers in the adjoining British Territory, it is absolutely

necessary

necessary that in Mysore the
number of Munsiffs in the
higher grades should be increased,
and I am accordingly directed
to submit for the favorable consider=
=ation and sanction of Government
the following revised Scale:-

6 in the 1st Grade on Rs 300
6 in the 2d Grade on Rs 250 and
6 in the 3d Grade on Rs 150 —
rising to Rs 200 after 2 years
approved Service.

7. In conclusion, I am desired
by the Chief Judge to append
copies of minutes recorded by
his Colleagues and to add that
the proposed enhancement of
Jurisdiction of Munsiffs stationed
at Head Quarters of Districts pre=
=ferred for on the Minutes of Mr
Ramachandra Iyer was pressed

some time ago, but it was not deemed expedient to take immediate steps in that direction. It is, however, a matter that may be separately considered, and should not, in the opinion of the Chief Judge, stand in the way of the hard worked Munsiffs being better paid, as above proposed.

Minute by Mr. Justice A. Ramachandra Iyar.

I beg to suggest that a few more appointments should be thrown open to Munsiffs, say those of City Magistrates of Mysore and Bangalore. If this is considered unexceptionable, I would raise the pay of five or six Munsiffs to Rs. 300 or 350, appoint them to Chittledroog, Kadur, Kolar and such Districts, and invest them with power to try suits up to 3000 or more. People from Davagada or Srinivaspur have to travel to Bangalore and bring all witnesses over this distance if the suits are over Rs. 1000. Munsiffs with superior powers ought to be posted to such Districts. If this change is not made, I would have things as they are.

Minute by Mr. Justice C. Krishnaswamy

The recommendation proposed has my hearty concurrence. I always felt that the existing scale of salaries is much too low to attract really good men, and I also feel that there is considerable weight in what my Colleague Mr. Justice Rama Chandrayya suggests. These 1st Class Munsiffs may be posted to the several District Head Quarters excepting in Bangalore and Mysore, where we have Subordinate Judges and invested with larger pecuniary jurisdiction, say 2000 or 2500 Rs. If these 2 changes, namely the raising of pay and the raising of jurisdiction cannot be introduced simultaneously, I do not see why the former should not be brought into force as early as possible. We may take time to consider the details of the latter, and when that change is sanctioned, we will have men with adequate pay ready to work upon. I approve of this draft if the learned Chief Judge thinks it undesirable to mix up both the questions now.

From

The Registrar of the
Chief Court of Mysore

To

The Secretary to the
Government of Mysore
Legal and Revenue Departments

Sir,

I am directed to submit for the favorable consideration and orders of Government a revised scale of salaries for the Judicial Officers of the Mysore Service.

On the recommendation of this Court made in my letter No. 74 dated the 1st July 1895, the Government were pleased to raise the number of Munsiffs in the 1st Grade. The reasons for improving the position of these Officers were stated therein and reference was also made to a contemplated proposal to increase their pecuniary jurisdiction. Now that their jurisdiction has been raised to Rs 2500 with effect from 1st April next and that they have been recently empowered to dispose of Insolvency Cases, it is but fair that their emoluments should also be increased to be commensurate with the increase of work and responsibilities.

There are at present 4 Munsiffs in the 1st class on Rs 300, 6 in the 2nd class

× Serial No 10 of this file

class on Rs 250 and 9 in the 3rd class on Rs 150-200. In the Madras Presidency, where the pecuniary limit is also Rs 2500, there are 4 classes, viz, Rs 200, 250, 300 and 400, and the number of Officers in each class is almost the same. Considering the fact that vacancies in the higher grades are few and far between and that several have to remain in the same class for years together, the scale of pay may be increased. The pay of the last class now is Rs 150 rising to Rs 200 after two years' approved service, but the Chief Court has the discretion to give to any one newly appointed in this class the maximum salary of Rs 200 a month on the ground of professional or other special qualifications. There are only 4 Munsiffs (3 permanent and 1 acting) now drawing Rs 150, and the permanent men have nearly completed 2 years' service as Munsiffs. Owing to the raising of the jurisdiction and as a means of attracting capable and intelligent men to take up a Munsiff's post, it is considered desirable that the minimum pay should be the same as in Madras, viz, Rs 200 - the maximum may be fixed at Rs 350 instead of Rs 400 as in Madras, and the classes

increased

increased from 3 to 4. Our 19 Munsiffs may then be classed as under:-

3 in the I Class on Rs 350.
4 in the II Class on Rs 300.
6 in the III Class on Rs 250.
6 in the IV Class on Rs 200.

The increase in cost is Rs 450 a month, taking the present last class at Rs 200, as is done for purposes of Budget Estimate &c. The above classification will result in a general promotion to all the Munsiffs.

The position of Sub Judges also requires improvement. As there are only 3 Sub Judges, it does not appear necessary to divide them into two classes as at present, as their chances of promotion are thereby minimized. The pay of the 2d class now is Rs 400 rising to Rs 500 by biennial increments of Rs 50, while that of the 1st class is Rs 600. In lieu of this, there might be only one class, the pay being fixed at Rs 450 rising to Rs 600 by annual increments of Rs 50.

The pay of the District and Sessions Judge of the last class also requires alteration. For the position and work of the Office Rs 800 may be fixed as the minimum pay. This amount is drawn by

by Sub Judges of the 1st. Class in the Madras Presidency. At present a District Judge starts on Rs 700 and gets Rs 800 after a years' approved service - As there are only 2 District Judges now, it appears unnecessary to divide them into 3 classes - The starting salary being fixed at Rs 800, the Maximum may remain as at present (Rs 1200) to be earned by annual increments of Rs 50 -

I am further directed to take this opportunity of recommending for the favorable consideration of Government the case of the Registrar of this Court for a suitable addition being made to his pay in consideration of the increased duties and responsibilities devolving on him as set forth in the enclosed Memorandum.

While there have been several revisions in the scale of pay of the Officers of the Revenue and other Departments of Government, there has not been any such change in that of the Judicial Officers for some time past - The extra cost which the above proposals involve may be met from the savings effected by the recent abolition of the District and Sessions Court of the Nandydroog Division

Memo

The work of the Chief Court has considerably increased during the past few years (Vide this Court's letter No. 521/20 dated 20th July 1898 to the Secretary to Government) and consequently the duties of the Chief Ministerial Officer have become more arduous and onerous than formerly.

The recent abolition of the District and Sessions Court of the Nandydroog Division has further increased the work. In addition to the ministerial duties connected with the exercise by the Court of Original Civil and Criminal jurisdiction, certain departmental functions of the District Judge have now devolved on the Registrar. Among the quasi judicial powers of the Registrar may be mentioned the power to admit appeals (conferred by a Rule of Practice in 1895) and the passing of orders in respect of summonses received from foreign Courts for service in the Mysore Courts as also in the matter of decrees received from other Courts (including British for execution in Subordinate Courts) as also on all applications for renewal of Pleaders Certificates. The introduction of the

Nazarat

Serial no 1/(c) of this file.

× Serial no 1/(c) do/

Nazarat System has necessitated the scrutiny of the periodical returns and reports of the various Civil Courts in addition to the existing statistical work. The sole responsibility of much of the routine work, such as all matters relating to the supply of forms and Stationery to all the Civil and Criminal Courts lies on the Registrar.

In 1896, the Registrar was appointed Law Reporter Ex Officio. The work of selecting cases and preparing the necessary head notes for purposes of report requires not only a knowledge of Statute and Case law, but entails considerable time, tact and labor on the part of the Reporter. The present Registrar (who was a practitioner in the Madras High Court) is doing this work satisfactorily. Mr. Hayes who was the Publisher of the Mysore Law Reports under the Editorship of Mr. Travers Drapes, Barrister-at-law, was paid Rs 1200 a year for the 100 copies supplied to this Court. The cost of printing the Reports at present is only Rs 300 to 400, but after distributing 100 copies to Courts &c as hitherto, 200 copies are kept in stock for sale to the legal profession and the public at Rs 5 per copy. The publication will, at no distant date,

leave ...

leave a profit in addition to the present savings of Rs 800 per annum.

Considering the nature of the duties discharged by the Registrar, the pay now allowed for the office is inadequate. Similar officers in the Madras Presidency draw proportionately higher salaries. The Registrar of the Madras Court of Small Causes is paid Rs 500, which is one half of the pay of a Puisne Judge of that Court, and in the Madras High Court the salary of the Registrar bears nearly the same proportion to that of a Puisne Judge. It may also be added that the Law Reporter in Madras (a practising Barrister) is paid Rs 400 a month. A Volume of the Chief Court Reports is in bulk nearly three fourths of that of the Madras series of the I. L. R.

The Registrar is besides the head of the Office Establishment of the Chief Court, and his status, though different from that of the subordinate Judicial Officers, such as Sub-Judges or Munsiffs, is superior by reason of his multifarious and responsible duties. His position is unique, as his appointment has to be made under the Chief Court Regulation. He may be regarded as an officer occupying the position of a Secretary and

Entitled

entitled to draw at least the pay and emoluments of an Under Secretary to Government - The present incumbent gets only Rs 400 and has been drawing this sum from July 1896 - He may fairly be given Rs 500 risingto Rs 650 by annual increments of Rupees 50.

Sir,

I have the honor to request you will be so good as to obtain the approval of Government to the enclosed draft Notification of transfers of Munsiffs and of the confirmation of Mr.K.Lakshminaranayya as Munsiff, 3rd Class. The transfers are suggested in the interests of the service and may be given effect to on the reopening of the Courts after the ensuing Recess.

Mr.K.Lakshminaranayya whose confirmation is recommended, has served as Munsiff since 23rd September 1898 on the minimum pay of the 3rd Class , viz.Rs.150 per mensem. There are two other Munsiffs - Mr.M.L.Srikantesa Gowda and Mr.T.Krishnaiengar on such minimum pay since 15th June 1898 and 17th May 1899 respectively. Under the rules now in force these Munsiffs will be entitled to draw the maximum pay of the 3rd Class (Rs.200) on completion of 2 years' service as Munsiffs. But the Judges think that considering the increased work thrown on the Munsiffs by the enhancement of their jurisdiction, the minimum pay of a Munsiff ought to be Rs.200, as stated in this Office letter No.

6163/227 dated 24th March 1899, submitting a revised scale of salaries for the Judicial Officers of the Mysore service. I am accordingly to recommend that these three Munsiffs may be allowed to draw Rs.200 from 1st March 1900.

I am to add that as it is nearly a year since the Jurisdiction of Munsiffs and Sub Judges has been raised, the Judges hope that the recommendations made in the letter above referred to will be sanctioned at an early date.
